

Stacks Squares - Application

Applications are always open, year round. Apply as often as you like.

SPRING 2023 NOTE: We will be selecting FIRST-TIME MURALISTS only for this installation. Round 11 is a special round with a guest curator.

If you have never painted an exterior wall mural, please make sure to check the box in Section Three. If you aren't sure whether or not you meet this criteria, it's cool. Use the comment box to explain.

If you have painted murals before, no worries! We keep a record of all submissions, there is no penalty for applying multiple times, and you will remain under consideration for future rounds regardless.
